Aus welchem Grund hat die K-Ltd an Werzalit 75.000 € bezahlt?

Die Gelder müssen einen Grund haben, wenn sie sich bewegen. Wenn Du Geld an KS hättest geben müssen, hätte die K-Ltd ein Darlehn gewähren sollen, aber nicht eine andere Firma in ihrem Namen bezahlen sollen.

Der Rest scheint mir in Ordnung zu sein.

Wegen Orbolato habe ich nichts mehr gehört.

Ciao

Diese Werte und Verträge sollten gemacht werden mit

KService kauft von Werzalit 250.000,00 abgeschlossen

KService verkauft an San Giorgio 75.000,00 abgeschlossen (bezahlt) (NB K-Service zahlt an Werzalit 50.000)

K-Service verkauft an KLtd 230.000,00 zu unterschreiben (NB K-Ltd hat an Werzalit 75.000 bezahlt)

Lass mich Deine Meinung wissen.

per quale motivo K Ltd ha pagato Werzalit 75.000 E ?

I soldi devono muoversi con delle ragioni.

Se dovevi dare i fondi alla K S la K Ltd doveva fargli un prestito e non pagare un'altra società per suo conto.

Per il resto mi sembra stia bene.

Non ho più sentito nulla per Orbolato.

How to make money (system Mattiussi), explained in a few steps:

1. Take (better steal) **110.000 €** from Klinkert Ltd
2. Purchase with this money at Werzalit (Germany) a drier with a value of only **50.000 €** for K-Service GmbH.
3. K-Service GmbH sells this drier officially for **75.000 €** to San Giorgio in Italy.

4. K-Service GmbH who had never spent a single Euro, receives **75.000 €** in his account! Nice, isn't it?
5. The real sales price to San Giorgio was not **75.000 €** but **195.000 €**.
6. Mattiussi receives in his account in Switzerland the difference: **120.000 €**. Nice again, isn't it?
7. In the email above Mattiussi says that he wants to sell the rest of the Werzalit machines to Klinkert Ltd (???) for an ridiculous amount of only **230.000 €**. Fortunately it did not happen, but isn't it crazy to have such an idea?
8. Mattiussi pays, via his Monaco based company (named MARTANICOLA) **120.000 \$** on behalf of Klinkert Ltd, saying that it is his private loan in favor of Klinkert Ltd.
9. Due to the incompetence of his German lawyer and the lies of the counterpart in an Arbitrage in Switzerland Klinkert Ltd loses not only these funds, but much more... this is really not funny.
10. It must be stated that Mattiussi is a real genius in cheating the people!
